PRESIDENT'S MESSAGE

Hello Live Oaks!

Wow! What a great turn out we had at the Oleander District meeting this month. The speaker was interesting and three of our members won baskets! I would love any feedback that you have about this event. Thank you for all your work on this including selling raffle tickets on the day as well as the donations to the silent auction.

We have lots of great things to look forward to in the coming months! The poinsettia sale and distribution will be a busy day but there will be many ways to help with projects after that. Be sure to give Diane and Audrey a high five for all their work on this! It's amazing to me what all is involved.

Please try to leave each meeting with one thing that you can do for the club!

I will send an agenda out each month for our meetings. If you want to write on that sheet, please print out if you are able, otherwise, I will make a copy for each table so you can see what to expect. To save paper, time, and expense, please bring something to write in and your calendar.

FUNDRAISING

Poinsettia sales are going strong and we are over two-thirds of the way toward meeting our goal! Please finalize sales with all of your customers in the next two weeks. I sent out a viewing link for the master sales list to all members, who will be able to see the most updated list just by clicking on the link. If anyone would like a PDF copy instead, please email me at DCDierks@gmail.com. Thanks! Diane

For paper Poinsettia Sales -

Audrey will be at the SSI Starbucks on Thursday mornings from 10:30 am - 11:30 am, until November 13. Audrey is also willing to set up times to meet with you on SSI or Brunswick to accommodate your schedule. She is on the island almost every day. Contact her at audreystambaugh@bellsouth.net

PROGRAMS

DEIRDRE BYERS

On Oct 4, members visited the home garden of Ga DNR Wildlife Biologist and plantsman extraordinaire Eamonn Leonard. His garden is beautiful, and he shared lots of great information. Highlights included his mix of native and non-native plants, layered planting designs, color combinations, successive blooming through all seasons, weed and soil management using compost and close plantings, and so much more! The intermittent gentle rain made the morning even better. Our thanks to Eamonn for his generous sharing!

DEBORAH WRIGHT

The title of our November program is "What's the Dirt on Dirt?". MC Halbrook, agriculture and natural resources agent for Glynn County, will talk about soil so that your garden can produce at its best. Several of our members have ordered soil kits. We hope the results will be completed by the November meeting so that MC can help us interpret them.

COMMUNICATIONS

PATRICE ALLGOOD

We have one more month of Poinsettia advertisements & ads till this season is over. So far we have had paid ads on ...Sat. Oct 4 and Sat. Oct 25. In addition, we had an announcement in the Coastal Scene section of the BRNS on Thurs. Oct 16th.

Don't forget about the LOGC History tea for new members at June Sortwell's. Please RSVP to Judy by November 1.

OPEN GARDENS

BONNIE RHEBORG

Many thanks to Kathy McFarland for inviting us to tour her beautiful garden last week! Over the years, she has created a lush, verdant and peaceful retreat for her home. We will continue our member Open Garden program early next spring.
